

QUICK USER GUIDE FOR SFI FILING APPLICATION

The new Statement of Financial Interests (“SFI”) Filing Application allows you to complete, certify, and submit your calendar year (“CY”) 2022 SFI online. Below are the steps you need to take to file your CY 2022 SFI.

1) When the system opens, you will receive an email, which will contain your User ID and a Temporary Password, which you will need to access the system, along with the direct link to the SFI system:

<https://www.sfi.eth.mass.gov/security/Login.aspx>. Your temporary Password is case-sensitive, so you must match the characters exactly to login. Once you login, you will be asked to create and confirm a new password.

2) After you login to the SFI system, the Filer Dashboard will appear. If you are logging in to the system for the first time, you should click on SFI Filings, and then on Pending Filings to open your CY 2020 SFI.

3) Once you have opened your CY 2022 SFI, you will see the Overview, which contains the section headings of the form. Based on the answers you provide, the Overview questions work as a filter to help the SFI system identify which questions you are required to answer.

After you have answered all the questions in the Overview categories, click **Next** at the bottom of the page to save your responses and proceed to the next section of the SFI. If you click **Back** on the Overview Page to return the Filer Dashboard, your answers will not be saved.

4) The sections of the SFI form are displayed on the navigation bar located at the top of the screen. **Please note that you will not be able to advance to the next section until the prior section has been completed.**

Once a section has been completed, it will be available for further review and editing at any time before you certify and submit your SFI. If you wish to continue working on your SFI at a later point, please be sure to Click **Save Draft** to save your draft SFI and return to the Filer Dashboard (See Section 5 below).

5) The electronic SFI form has a number of help bubbles which are indicated by . The help bubbles contain definitions and other information to help you answer each question.
